Michael Dustin**Scientific Editor** John W. Nelson, PhD**Editorial Assistants** Emily J. Hamilton
Joan M. Mello (Philadelphia)

The official journal of the American Society for Investigative Pathology seeks to publish high-quality, original papers on the cellular and molecular biology of disease. The editors accept manuscripts that advance basic and translational knowledge of the pathogenesis, classification, diagnosis, and mechanisms of disease, without preference for a specific analytic method. High priority is given to studies on human disease and relevant experimental models using cellular, molecular, animal, biological, chemical, and immunological approaches in conjunction with morphology.

Journal Information

The American Journal of Pathology is published monthly in print (ISSN 0002-9440) and online (ISSN 1525-2191) for the American Society for Investigative Pathology, Inc. by Elsevier Inc, 360 Park Ave S, New York, NY 10010-1710. Periodicals postage paid at New York, NY and additional mailing offices.

Business Office: 1600 John F. Kennedy Boulevard, Suite 1800, Philadelphia, PA 19103-2899. Accounting and Circulation Offices: 3251 Riverport Lane, Maryland Heights, MO 63043. Periodicals postage paid at New York, NY and additional mailing offices.

POSTMASTER: Send address changes to The American Journal of Pathology, Elsevier Periodicals Department, 3251 Riverport Lane, Maryland Heights, MO 63043.

CUSTOMER SERVICE (orders, claims, online, change of address):

Elsevier Periodicals Customer Service, 3251 Riverport Lane, Maryland Heights, MO 63043. Tel: (800) 654-2452 (U.S. and Canada); (314) 447-8871 (outside U.S. and Canada). Fax: (314) 447-8029. E-mail: JournalsCustomerService-usa@elsevier.com (for print support); journalsonlinesupport-usa@elsevier.com (for online support).

Address changes must be submitted four weeks in advance.

YEARLY SUBSCRIPTION RATES: United States and possessions: Individual \$352; Institution \$753. All other countries (prices include airspeed delivery): Individual \$467; Institution \$880. Single Issues \$74. To receive student/resident rate, orders must be accompanied by name of affiliated institution, date of term and the signature of program/residency coordinator on institution letterhead. Orders will be billed at the individual rate until proof of status is received. Current prices are in effect for back volumes and back issues.

Further information on this journal is available from the Publisher or from this journal's website (<http://ajp.amjpathol.org>). Information on other Elsevier products is available through Elsevier's website (<http://www.elsevier.com>).

Advertising information. Advertising and classified advertising orders and inquiries can be sent to: USA, Canada, and South America, Aileen Rivera, Integrated Sales Rep, Elsevier Inc., 360 Park Avenue South, New York, NY 10010; Phone: 212-633-3721; Fax: 212-633-3820; E-mail: a.rivera@elsevier.com. Europe and the rest of the world, Julie Toop; phone +44 (0) 1865 843016; fax +44 (0) 1865 843976; e-mail: media@elsevier.com.

Author inquiries

For inquiries relating to the submission of articles, contact the Editorial Office at 301-634-7959. For questions related to articles in press, visit <http://www.elsevier.com/authors>. The site also provides the facility to track accepted articles and set up e-mail alerts to inform you of when an article's status has changed, as well as detailed artwork guidelines, copyright information, frequently asked questions, and more. Please see Information for Authors for individual journal. Contact details for questions arising after acceptance of an article, especially those relating to proofs, are provided after registration of an article for publication.

Instructions for Authors can be found online at: <http://ajp.amjpathol.org>

Journal Scientific Integrity Policy can be found online at: <http://ajp.amjpathol.org>

The paper used in this publication meets the requirements of ANSI/NISO Z39.48-1992 (Permanence of Paper).

English language help service: Upon request, Elsevier will direct authors to an agent who can check and improve the English of their paper (before submission). Please contact authorsupport@elsevier.com for further information.

Reprints. For queries about author reprints, please contact Tracy Harding at 866-487-5625, 410-943-3085, 877-705-1373 (fax), or email at tracy.harding@cenvio.com.

This journal and the individual contributions contained in it are protected under copyright by the American Society for Investigative Pathology, and the following terms and conditions apply to their use:

Photocopying

Single photocopies of single articles may be made for personal use as allowed by national copyright laws. Permission of the Publisher and payment of a fee is required for all other photocopying, including multiple or systematic copying, copying for advertising or promotional purposes, resale, and all forms of document delivery. Special rates are available for educational institutions that wish to make photocopies for non-profit educational classroom use.

Permissions may be sought directly from Elsevier's Rights Department in Oxford, UK: phone (215) 238-7869 or +44 (0) 1865 843830, fax +44 (0) 1865 853333, e-mail healthpermissions@elsevier.com. Requests may also be completed online via the Elsevier homepage (<http://www.elsevier.com/locate/permissions>).

In the USA, users may clear permissions and make payments through the Copyright Clearance Center, Inc., 222 Rosewood Drive, Danvers, MA 01923, USA; phone: (978) 750-8400, fax: (978) 750-4744, and in the UK through the Copyright Licensing Agency Rapid Clearance Service (CLARCS), 90 Tottenham Court Road, London W1P 0LP, UK; phone: (+44) 20 7631 5555; fax: (+44) 20 7631 5500. Other countries may have a local reprographic rights agency for payments.

Derivative Works

Subscribers may reproduce tables of contents or prepare lists of articles including abstracts for internal circulation within their institutions. Permission of the Publisher is required for resale or distribution outside the institution.

Permission of the Publisher is required for all other derivative works, including compilations and translations.

Electronic Storage or Usage

Permission of the Publisher is required to store or use electronically any material contained in this journal, including any article or part of an article.

Except as outlined above, no part of this publication may be reproduced, stored in a retrieval system or transmitted in any form or by any means, electronic, mechanical, photocopying, recording or otherwise, without prior written permission of the Publisher.

Address permissions requests to: Elsevier Rights Department, at the fax and e-mail addresses noted above.

Notice

No responsibility is assumed by the Publisher or the American Society for Investigative Pathology for any injury and/or damage to persons or property as a result of any actual or alleged libelous statements, infringement of intellectual property or privacy rights, products liability, negligence or otherwise, or from any use or operation of any methods, products, instructions or ideas contained in the material herein. Because of rapid advances in the medical sciences, in particular, independent verification of diagnoses and drug dosages should be made.

Although all advertising material is expected to conform to ethical (medical) standards, inclusion in this publication does not constitute a guarantee or endorsement of the quality or value of such product or of the claims made of it by its manufacturer.
